Exapostilaria for Monday

For the Angels
Tone 3 Original melody

T
B

O Thou, that as God adornest the heaven with
stars, and illuminest all the earth
through Thine angels: O Creator of all
things, save them that chant unto Thee.
The delight of the angels, the joy of
all that sorrow, the mediatrix of Christians
art thou, O Virgin Mother of the Lord; do thou help
us, and deliver us from torment eternal
